If you get completely stuck, on-line help is available by typing HELP. Look up your problem on the list of hints and give the hint number you require.

You will then be given some sort of clue. The HELP facility is structured in stages so that you will initially get a partial clue, and will be given due warning if the entire puzzle is about to be revealed to you!

	Hint
I can't go north from the landing area	1
I get killed by the montipython	1
I get driven back by the plant smell	2
I get killed by the boogatigers	3
I can't turn the lamp on	4
